FUSION **e** ENHANCED with COREtec® technology is enhanced for greater distinction!

A perfect solution for anyone who is looking for a beautiful waterproof floor that is eco-conscious, easy to install, and easy to clean. COREtec® is a 100% waterproof composite that is extremely dense and stable — it will not contract or expand. Even better, **FUSION™ ENHANCED** resists spills of any kind, making cleaning and everyday maintenance plain and simple.
